A truly unique space

Tucked away in the idyllic village of Hornby is the Hornby Institute. This beautifully restored listed building is set in the stunning Lune Valley, within the spectacular, natural beauty of the Forest of Bowland, just on the edge of the Yorkshire Dales and South Lakeland. Hornby can be easily accessed from Lancaster, Kirkby Lonsdale and Kendal.

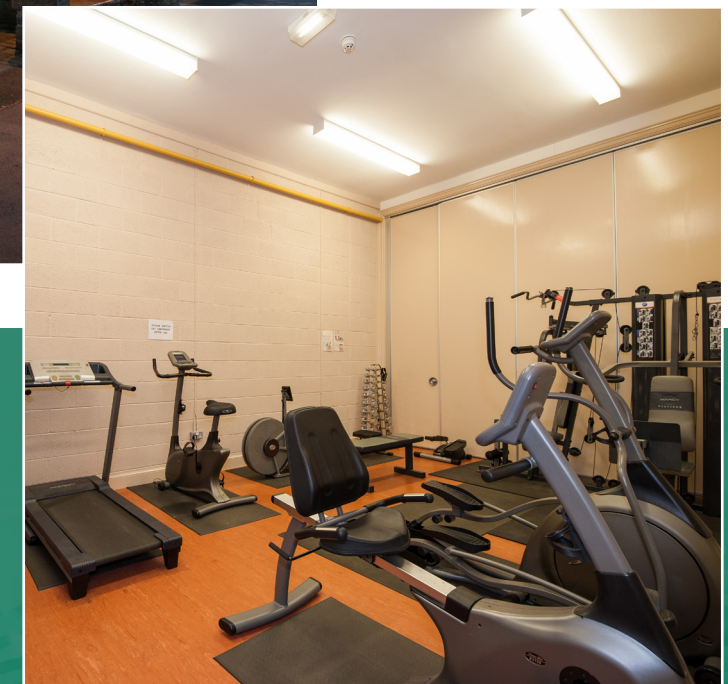

The Hornby Institute is the perfect place to host your family event, whether it be a big family get together or a children's birthday party. The space can be decorated to suit your party and needs. There is even a raised stage for budding entertainers! There are also disabled toilets and baby changing facilities on site.

Imagine the lights shining on your chosen acts - clowns, singers, puppets or whatever you decide on. It will add magic and sparkle to the event.

With our fully licensed bar the adults can have as much fun as the children, I'm sure you'll find your child's party won't be just a drop off point!

With the different spaces available, you can also have a quiet room for those who would prefer to relax and have a bit of time out from the kids.

We have a gym, the drop-in and have various user groups which can be seen on our website.

Catering to your Requirements

You will have the use of our fully equipped kitchen to cater for your event, whether by yourself or an external company.

Overall, it's a space that the children and adults alike will love!
